

How to Use Citation Maker

1. Open Internet Explorer – Library Page - Open Citation Maker
2. Click in the circle of the type of source you have (Book, Professional or Organizational Web Page)
3. Type your information in the boxes
4. Click on “Save Citation” THEN Click on “Show My Citation”
5. Copy and paste your citation into Power Point’s last slide titled: Bibliography
6. Save the Power Point to your Social Studies 6 folder
7. If you don’t have a Social Studies 6 folder, use the Folder with a Sparkle to create this folder
8. Use Citation Maker to cut and paste the rest of your citations into the Power Point in ALPHABETICAL ORDER
