

Chittenden Central Supervisory Union

School Board Memberships Policy B16

Member school boards will maintain membership in the Vermont School Boards' Association. The supervisory union board will maintain its National School Boards' Association membership. Both member boards as well as the supervisory union board will take an active part in the activities of these groups.

The supervisory union board may also maintain membership in other educational organizations which the board and superintendent consider beneficial to member districts and district personnel. The materials and benefits of such membership will be widely distributed and used to the best advantage of the board and the staff.
