Charlee Day introduced the purpose of the forum and the NESDEC representatives then presented their tentative findings, followed by a question/answer/comment period. Two materials were available. One was the Executive Summaries of the 2010 and 2009 New England Economic Outlook Conferences. The other was the Essex Junction Tentative Project Report powerpoint. Both are available online (www.ccsuvt.org) or upon request at the CCSU Central Office.

A quorum of the board was realized at 7:40 p.m.

The public forum concluded at 8:05 p.m.

Minutes respectfully submitted by Mike Deweese.
