

CCSU K-12 Power Standards

Music

Music Power Standard #1: Skill Development

Students communicate an understanding of age-appropriate musical concepts and vocabulary through the creation and performance of music.

Music Power Standard #2: Reflection and Critique

Students analyze, interpret, and respond in an age-appropriate manner to a variety of musical works, including their own.

Music Power Standard #3: Making Connections

Students make connections between music and history, culture, personal life, and other disciplines.

Music Power Standard #4: Approach to Work

Students approach musical experiences through problem-solving and creative thinking, and demonstrate appropriate interactions and responsible work habits.
