

FLEMING SCHOOL PTO NEEDS YOU!

There are many ways to help at Fleming, even if you work full-time or have other kids' school activities to juggle. You can provide a batch of brownies for a sale, send in box tops, or write a grant to support our artistic residency. Part of the PTO's mission is to raise funds to send our students on field trips and supplement their learning with special events, but we need a lot of help to bring these learning opportunities to our students. This year the PTO is also raising money for the school's 100th year celebrations, which will take place in the spring! Please indicate which of the following activities you might be interested in assisting with, and return this form to school as soon as possible. Thank you!
