PARENT INFORMATION NIGHT

Thank you to the parents and guardians who attended our K-5 Parent Night presentation on student-led conferences Tuesday night. The PowerPoint presentation can be accessed on our school webpage. We appreciate the feedback and questions that we received at this informational meeting.

Student-led conferences are planned at each of our K-5 schools on **May 20th**.

LEARNER CHARACTERISTIC FORMS

Thank you for completing the input forms on your student's learning styles. This parent input contributes to the work of building balanced classes which is our placement process goal. The placement teams will begin meeting this month. Class placement letters will be mailed home on Thursday, May 27th.

PETER PAN

Peter Pan DVD's and Peter Pan photo collection DVD's are available to be signed-out in the school office.

FROM THE GUIDANCE OFFICE

Camp Knock Knock

This is a weekend camp for families with children who have experienced the death of a loved one. This year, it will be held **June 4-6, 2010** at **YMCA's Camp Abnaki**. This weekend of open support and guidance provides opportunities for growth and healing for families who are experiencing the grieving process. Camp Knock Knock is a collaboration of the VNA's Hospice of the Champlain Valley and the Champlain Valley Junior Service League. Please call 860 4410, ext. 3405 for more information.

LAST DAY PROJECTED

We project that the **final student learning day** of this school year will be **Wednesday, June 16th**. We are amazed that we have had two school years without a "snow day".

LOST & FOUND

The boxes are full and overflowing. Please claim any clothing that might belong to your child before the spring break.

PLANNING ROOM DATA

During the month of March there were 27 Fleming students referred to the school planning room. These students developed 36 written plans to improve their Fleming C.A.R.E.S. behavior.

PTO MEETING

Please plan to attend the **Fleming PTO meeting on Wednesday, April 21st at 3:00 p.m.**

APPROPRIATE DRESS GUIDELINES

With the arrival of the warm weather, we ask that students review the student dress guidelines in our school handbook. Students are reminded that what might be appropriate to wear to the beach or pool will likely not meet appropriate clothing or footwear standards at school. Thanks for your help. We want to keep our students focused on learning during the final weeks of school.
