

Dear Families,

The classrooms are sparkling, new learning materials have arrived, the building is almost ready with many new changes and we have been actively planning new learning opportunities for all of our fifth graders. Both of our classrooms are equipped with technology tools such as: a SmartBoard, document camera, digital camera and a flip camera. We are excited to incorporate technology as a vehicle for learning.

We hope you are enjoying your summer vacation. The time seems to be going by so quickly and before we know it, we will be back in school. Since school is right around the corner and the students are excited to purchase their new school supplies, we thought we would provide you with an optional shopping list. We will provide students with whatever they might need.

- pencils (lots, they always seem to get lost)
- package of blue pens
- package of highlighters with at least 2 different colors
- pencil case (zipper type)
- package of white lined loose leaf paper (college ruled)

Helpful supplies to have at home:

- colored pencils
- markers
- scissors

Just a note here: students will **not** need binders. We are keeping those backpacks light. 😊

In closing, enjoy the rest of the summer. We are looking forward to getting to know each of you and sharing summer experiences.

Fondly,
Mrs. Auch & Mrs. Coviello
