

Hello everyone!!

6/25/10

The following supply list is a collection of items we use **throughout** the year. I will leave the spending to your discretion. I do have extras of everything in the classroom. Acquire whatever items fit into your budget and don't worry about the rest. Your child may have personal preferences as to what styles or colors of items he/she would like to be using in the classroom. Please be sure to mark your child's name on his/her belongings (with the exception of the Ziploc bags and sticky notes) upon return to school. The sticky notes and Ziploc bags are thrown into a combined pool and used by everyone.

I really hope that you have a fantastic summer. I know I am looking forward to spending some time with my own children and getting some projects done around the house. I'm already planning for my school year with you and look forward to hearing all about your adventures when we meet back on September 1. If you have any questions or concerns regarding this list, or anything else, please feel free to contact me. At this time, I can be reached through e-mail. I check it regularly and will make a point of getting back to you ASAP. I will send everyone another little note in mid August, inviting you to stop by to see the classroom before school starts. But for now, Relax, Rest and Have Fun!!

Thank You,
Ms. Jennifer Songer

2010-2011 Supply List

- Supply of pencils to be brought in a few at a time over the course of the school year. A few extra erasers or eraser tops would be wonderful.
- Set of colored pencils
- Calculator(Kids like to have their own, however I them in the classroom too)
- Two single subject spiral notebooks
- One-1 ½" 3-ring binder
- Zippered pencil bag to stay in front of binder for home use but pulled out to put in desk for the day.
- Four, medium sized packages of sticky notes-any color
- One box of Ziploc Bags-sandwich size
- Two different colored highlighters
- Correcting pens-two any color other than black

One more note of interest-Students will be encouraged to keep a water bottle on their desk. This may be something to add to your list. This can be a personal one or just a plain bottle of water. Also, every day we have snack in the classroom. A healthy snack gives the type of energy that's needed to do ones best thinking. Students also have the opportunity to purchase a snack from the Snack Cart here at school.
