## PLACEMENT PROCESS

Thank you for completing the Learner Characteristic information forms to support the school placement teams working to develop balances classes. For fifth grade placement the fourth grade students will remain in the same house. Though they are in the same house in fifth grade, the makeup of the class may change as they move to fifth grade. Students enrolled in Mr. Guilmette's fourth grade will plan to loop into Mrs. Adams' fifth grade class. Student placement letters will be mailed home on Friday, May 27th.

## CLOTHING NEEDED

The Health Office is in need of extra t-shirts, pants, shorts and socks. If you have the above items in wearable condition that your child has outgrown, please drop them off at the health office. Thank you.

Please join us for the next PTO meeting on **Wednesday, April 13th** at **3:00 p.m.** in the Learning Center. We thank Sarah Zobel and Nicky Guntulis who will be stepping down from their PTO officer positions this year. Please

consider serving in a leadership role on the PTO next year.

## BIKE SAFETY REMINDERS

Students should please remember to wear bike helmets when riding their bikes to school. They should also remember to walk bikes across crosswalks and to follow staff and crossing guard's directions. Fleming students know that they need to walk bikes down Prospect Street hill. Thank you for helping us keep our students safe going to and from school.

## STUDENT-LED CONFERENCE

Students and teachers are planning for **student-led conferences.**

On **Thursday, May 19th**, after the regular school day, parents will be asked to schedule appointments later that afternoon or early evening. This is an opportunity for you to interact with your child as they share artifacts of their learning. In the coming weeks teachers will be sending home a conference sign up sheet. The goals of the student-led conferences are:

- ◆ Celebrate their learning with their parents/guardians
- ◆ Take responsibility for their learning
- ◆ To practice communication and organizational skills
- ◆ To reflect on their work and behavior
- ◆ To self assess their work and be proud of their accomplishments
- ◆ Set goals to support continuous progress
