REMINDER: NECAP SCIENCE ASSESSMENT

Fleming 4th grade students will all be participating in the State NECAP science assessment on the mornings of **May 10th, 11th and 12th**. (Please note that this is a change to the previously announced dates of May 10 & 12.) It is important to have students present and ready to demonstrate their best science learning work on those three days in May. Please help us with this science testing administration by not scheduling out-of-school appointments that conflict with these three days. Thank you!

STUDENT-LED CONFERENCES

Letters are coming home inviting parents to participate in their student's "celebration of learning" student-led conferences, which are being scheduled mainly on **May 19th** but also can be scheduled at other flexible times after school during that week. It is very empowering for our students to prepare for and present artifacts of their learning growth to their parents/ guardians. If you have a need to schedule a separate conference time

with your child's teachers at another date you are always welcome to do so.

FAMILY SOCK HOP TONIGHT

The Fleming PTO and Student Council are co-sponsoring a sock hop dance **tonight from 6:30-8:30 p.m.** Fleming students attending the Sock Hop **must** be accompanied by a parent or guardian. This is always a fun family event. Enjoy!
