Thank You Volunteers - We appreciate all of the wonderful support and help given by many parents and community volunteers that has made a great difference and enhance the quality education provided at our school. Thank you!

Summer Garden Helpers - We are still looking for families to sign-up to water and care for our school garden plots during the summer. Please contact Carol Hutcheon's at 879-9408 if you can sign-up for a week this summer.

NECAP Science Tests have been completed by our fourth grade students and have been shipped out for scoring. We anticipate getting the results from these state science assessments in early October.

Welcome New Fleming Educators - We are very pleased to welcome some outstanding new teachers to Fleming School for the 2008-2009 school year. Please join us in welcoming **Kelly McClintock**, Physical Education/Health Teacher; **Lisa Foley**, Art Teacher; **Jennifer Borch**, World Language and Culture Teacher; **Adam Sawyer**, Instrumental Music Teacher and **Michael Kenny**, 5th Grade Teacher.

Student Council Spirit Day - The Fleming Student Council is sponsoring "Twins Day" for the final school Spirit Day of the school year next **Friday, June 6th**. If you come for the school barbecue that day, don't be surprised to see pairs of students dressed alike.

School Barbecue/Field Day Parking - Due to the use of the full playground and staff parking lot for field day next Friday, parking spaces will be difficult to secure on site. Please join us for the barbecue, but anticipate the likely prospect of needing to park off site at lunchtime next Friday.

News From the Guidance Office - Many thanks to our 4th Grade "Ambassadors" who visited the Hiawatha 3rd graders this week. The Summit Ambassadors will visit next week. It's a great opportunity for the 3rd graders to hear information about Fleming, so they can look forward to next year. Thank you to: Karyl Williams, Melissa Stewart, David St. Pierre, Alyssa Hammond, Ethan Benton, Jake O'Connell, Meghan Smith, Ali Cooley, Ally Harms, Hunter Stewart.

A very big thank you to Tracey Williams and Sharon Sturm for volunteering their time and energy to coordinate the Student Directory project for 2008-2009!

A huge thanks to all the bakers and to those who made donations to support the bake sale at the Spring Concert. Your generosity and support raised \$85.00, which will be donated to the Principal's Discretionary Fund!

Lost & Found – Please look over the lost & found tables. Lost & found is overflowing!

Free Fish Tank – We have a 50-gallon fish tank complete with supplies that we are looking to donate to a good home. Please contact, Dan Ryan, at Fleming School if you are interested in adopting the fish and their habitat.
