

# Greetings From Guidance!

## CARING

For the next few weeks, students at Summit Street School will be talking about what it means to care about one another. In guidance classes, we will read the book “The Paper Crane” by Molly Bang and discuss how to show that we care. We will also be adding “Caring” to the list of possible nominated characteristics for students. At each assembly we will announce students who have been nominated for “Respect,” “Responsible,” Trustworthiness,” and “Caring.” Later in the year, we will add the characteristic “Fairness” and “Citizenship.”
