

Birds of Vermont Museum's 2009 Art Contest

Third Grade Watercolor Paintings

Students studied the work and life of John Audubon and then created a piece of artwork with the theme of Vermont Birds. The mixed media we used included watercolor, watercolor pencils and markers. Students learned different watercolor techniques and applied them to their paintings of their favorite Vermont birds.

The work will be on exhibit during the month of October and winners of the contest will be announced at the museum's Fall Festival held on Saturday, October 10th from 10-4. The museum is located at 900 Sherman Hollow Road, Huntington, VT 05461. Please contact them for more information at www.birdsofvermont.org or 802-434-2167.
