

Mrs. Hamilton's Kindergarten News

Current Events

our 3 month old son Finn, and our two dogs Topper and Cheyenne.

Kindergarten is such an important year as your child begins his/her entrance into lifelong learning. It is important for us to work as a team to provide the best educational environment for your child.

In kindergarten we spend much of the first six weeks engaged in learning how to properly use the materials and toys in the classroom, learning how to follow the school rules and procedures, and learning to interact with each other socially and emotionally.

Our first unit of study will be the life cycle of a butterfly. We have two Monarch Caterpillars in our classroom so that we can observe this transformation first-hand. I would like to thank Mollie Murphy from Ms. Mahoney's kindergarten class for sharing these caterpillars with us.

You will find my contact information highlighted in green on this page. E-mail is a good way to communicate regarding quick questions or concerns. I check my e-mail daily and should be able to respond within twenty-four hours.

Many smiles and tears were shared this morning as your child began his/her first day of kindergarten!

I am looking forward to getting to know you and your child during this school year. I live in Essex Junction with my husband Kevin,

Upcoming Events

Learning Center
6:30 p.m.

Constitution Assembly 09/23
8:15—8:45

Home/School Connections

The specials for our class are as follows:

Monday - P.E.

Tuesday - Music

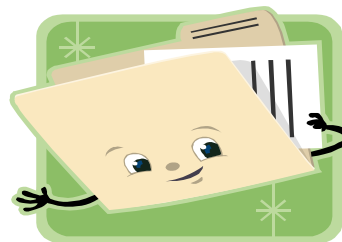

Wednesday - P.E.

Thursday - Art

Friday - Music

Please be sure to send your child to school with sneakers on P.E. days and take into consideration how you dress your child on Art days as it can get messy.

Look for several notices from the office on the first day of

school that need to be returned by September 3rd. Other than the first week, notices will be sent home at the end of each week in a red Friday Folder. Please return this folder to school with any completed forms the following Monday.
