## Trimester 3 Au Marché!

We have concluded the year with a virtual visit to France, the overseas Department (Guadeloupe & Martinique), and Paris! We have explored shopping French style, and food items one would find:

- *Chez le Marchand de Fruits et Légumes* (at the Fruit & Vegetable market)
- *À la Fromagerie* (at the cheese shop)
- *À la Boulangerie* (at the bakery)

We have practised asking for (and tasted some) food items, and learned about famous monuments in Paris.

Qu'est-ce que c'est?

The focus of our work together has again predominantly been on CCSU World Language Power Standards 1 (Interpersonal Communication), 2 (Interpretive Communication) and 4 (Connections & Comparisons). For more information please visit the district website at:

K/1 Students have also worked on a traditional French song called:

## **Savez-vous planter des choux?**

(How do you plant your cabbage)

This song (and another we sang called the *Boogie-Woogie*) incorporates French words for different parts of the body.
